Secretary to the Government of His Highness
the Maharaja of Mysore,
Revenue Department, Bangalore

Sir,

I have the honour to submit herewith for the information and orders of Government a copy of resolution No 32 of the City Municipal Council at the Meeting held on the 6th instant, recommending the grant of a motor car conveyance allowance of Rs.250/-a month to me as President of this Municipality from the 23rd February 1920, on which date I took charge of the office. As this is a matter concerning me, I was not present when the Council took up this question with the Vice President in the chair I learn that the Council considered that the maintenance of a motor car by them for use by the President out of Municipal Funds was not permissable under the provisions of the Municipal Regulation and that the payment of an allowance as in the case of the Mysore City Municipal Council which was in accordance with the provision of the Municipal Regulation was necessary and that they therefore resolved unanimously that an allowance of Rs 250/- be paid as motor car allowance to the President

2 The Municipal motor car used by my predecessor, was with the consent of the Council, sold by auction for Rs 1800/- o 28th February 1920 and the amount credited to Municipal Funds The appended memo shows the expenditure on account of the maintenance of that car Taking into account the price

realı e

realised by its sale, it is seen that it has cost about Rs.250/- per month to maintain the car.

I have the honour to be,

S i r,

Your most obedient servant,

President.
